Dear Parent/Guardian,

At Bennettsville Primary School we are very proud of our teachers and know they are prepared to give your child a highly-quality education. As a Title I school, we must meet federal rules related to teacher qualifications. These rules allow you to learn more about your child's teachers and their credentials. We are happy to provide the following information for you at any time:

- Teacher licensing for the grade level(s) and/or subject(s) he/she is currently teaching;
- The College or University degree the teacher earned and any other graduate certifications held and;
- The qualifications of the paraprofessional who is providing services for your child, if applicable.

Our staff is committed to ensuring that your child receives the most comprehensive educational experience we can offer in order to achieve success in school and beyond. That commitment includes providing your child with highly qualified teachers and paraprofessionals who are dedicated to this mission.

Sincerely,

Mrs. Gail Redding

Principal
